STAFF REPORT

AGENDA DATE 06/28/04

AGENDA ITEM _____

TO: Council Downtown Committee
FROM: City Manager
SUBJECT: Hayward Area Historical Society

City staff and Society representatives have been discussing the presence of this organization in the downtown area, both today and over the long term. In recent years, the Society has seen a renewed interest in its activities and has experienced an increase in attendance at the museum and store located in the Eggert building at C and Main Streets. The Society is also coming upon an important milestone, as it will be celebrating its 50th Anniversary in 2006.

As one of the beneficiaries of the Oliver Trust, the Society is in a stronger financial position than it has been in the past. This financial strength has enabled the Society to broaden and expand the types of services provided to the community. In addition to expanding its services, the Society devoted time and effort to thinking about the future in the form of a long-term planning process. To this end, Society officials have been invited to attend the meeting to share their thinking with the Committee.
